

MEMBERSHIP TEAM OFFER

ASSEMBLIES

Our Engagement Workers can deliver assemblies about OTR - who we are, what we do and how your students can sign up. We can do these in person, over video call, or can send you a pre-recorded assembly to show at a time that's convenient for you!

POP-UP SHOPS

We can offer stalls which give young people the opportunity to come over for a chat, take part in a wellbeing-related activity, and grab some leaflets about our services. These tend to be over lunchtime but we can also offer pop-ups at events and parent's evenings.

WELLBEING BOARDS

Have a spare noticeboard that you want filled up with mental health information? We can come in and create a display with information about our projects and other local mental health services. We can also send out a pack to you if you'd rather do it yourself!

STAFF INFORMATION SESSIONS

If you think staff within your school could benefit from a refresh on OTR's services and sign-up process, we can set up an in-person or virtual information session

EMAIL HELLO@OTRBRISTOL.ORG.UK TO TAKE US UP ON OUR OFFER

(You can also sign up to our Schools Newsletter to stay up-to-date with our projects and offer to schools over on the [Schools and Outreach](#) page of our website)
